## ABOUT ME

### Hi, This Is Nahid

A Passionate Frontend Developer having 4+ years of Experiences. I am well-versed and strongly experienced in HTML, CSS, Bootstrap, JavaScript (JS), jQuery, and SASS. I have worked on 50+ local projects so far. I have also worked on Themeforest projects. My code is fully responsive, supported across all browsers, and 100% W3C validated. Learning new things and solving coding problems is my daily work. I enjoy it.
